The Home of Maldivian Spirit

OUR ORIGIN

A tale inspired by a vibrant island soul and the proud Maldivian heart of its visionary founder, Ahmed Siyam Mohammed.

Driven by a deep love for his country's culture, and fuelled by a desire to share its open-hearted hospitality with the world, Sun Siyam was established with one singular purpose — to champion extraordinary experiences.

Each property under our large tropical umbrella is infused with authentic Maldivian spirit.

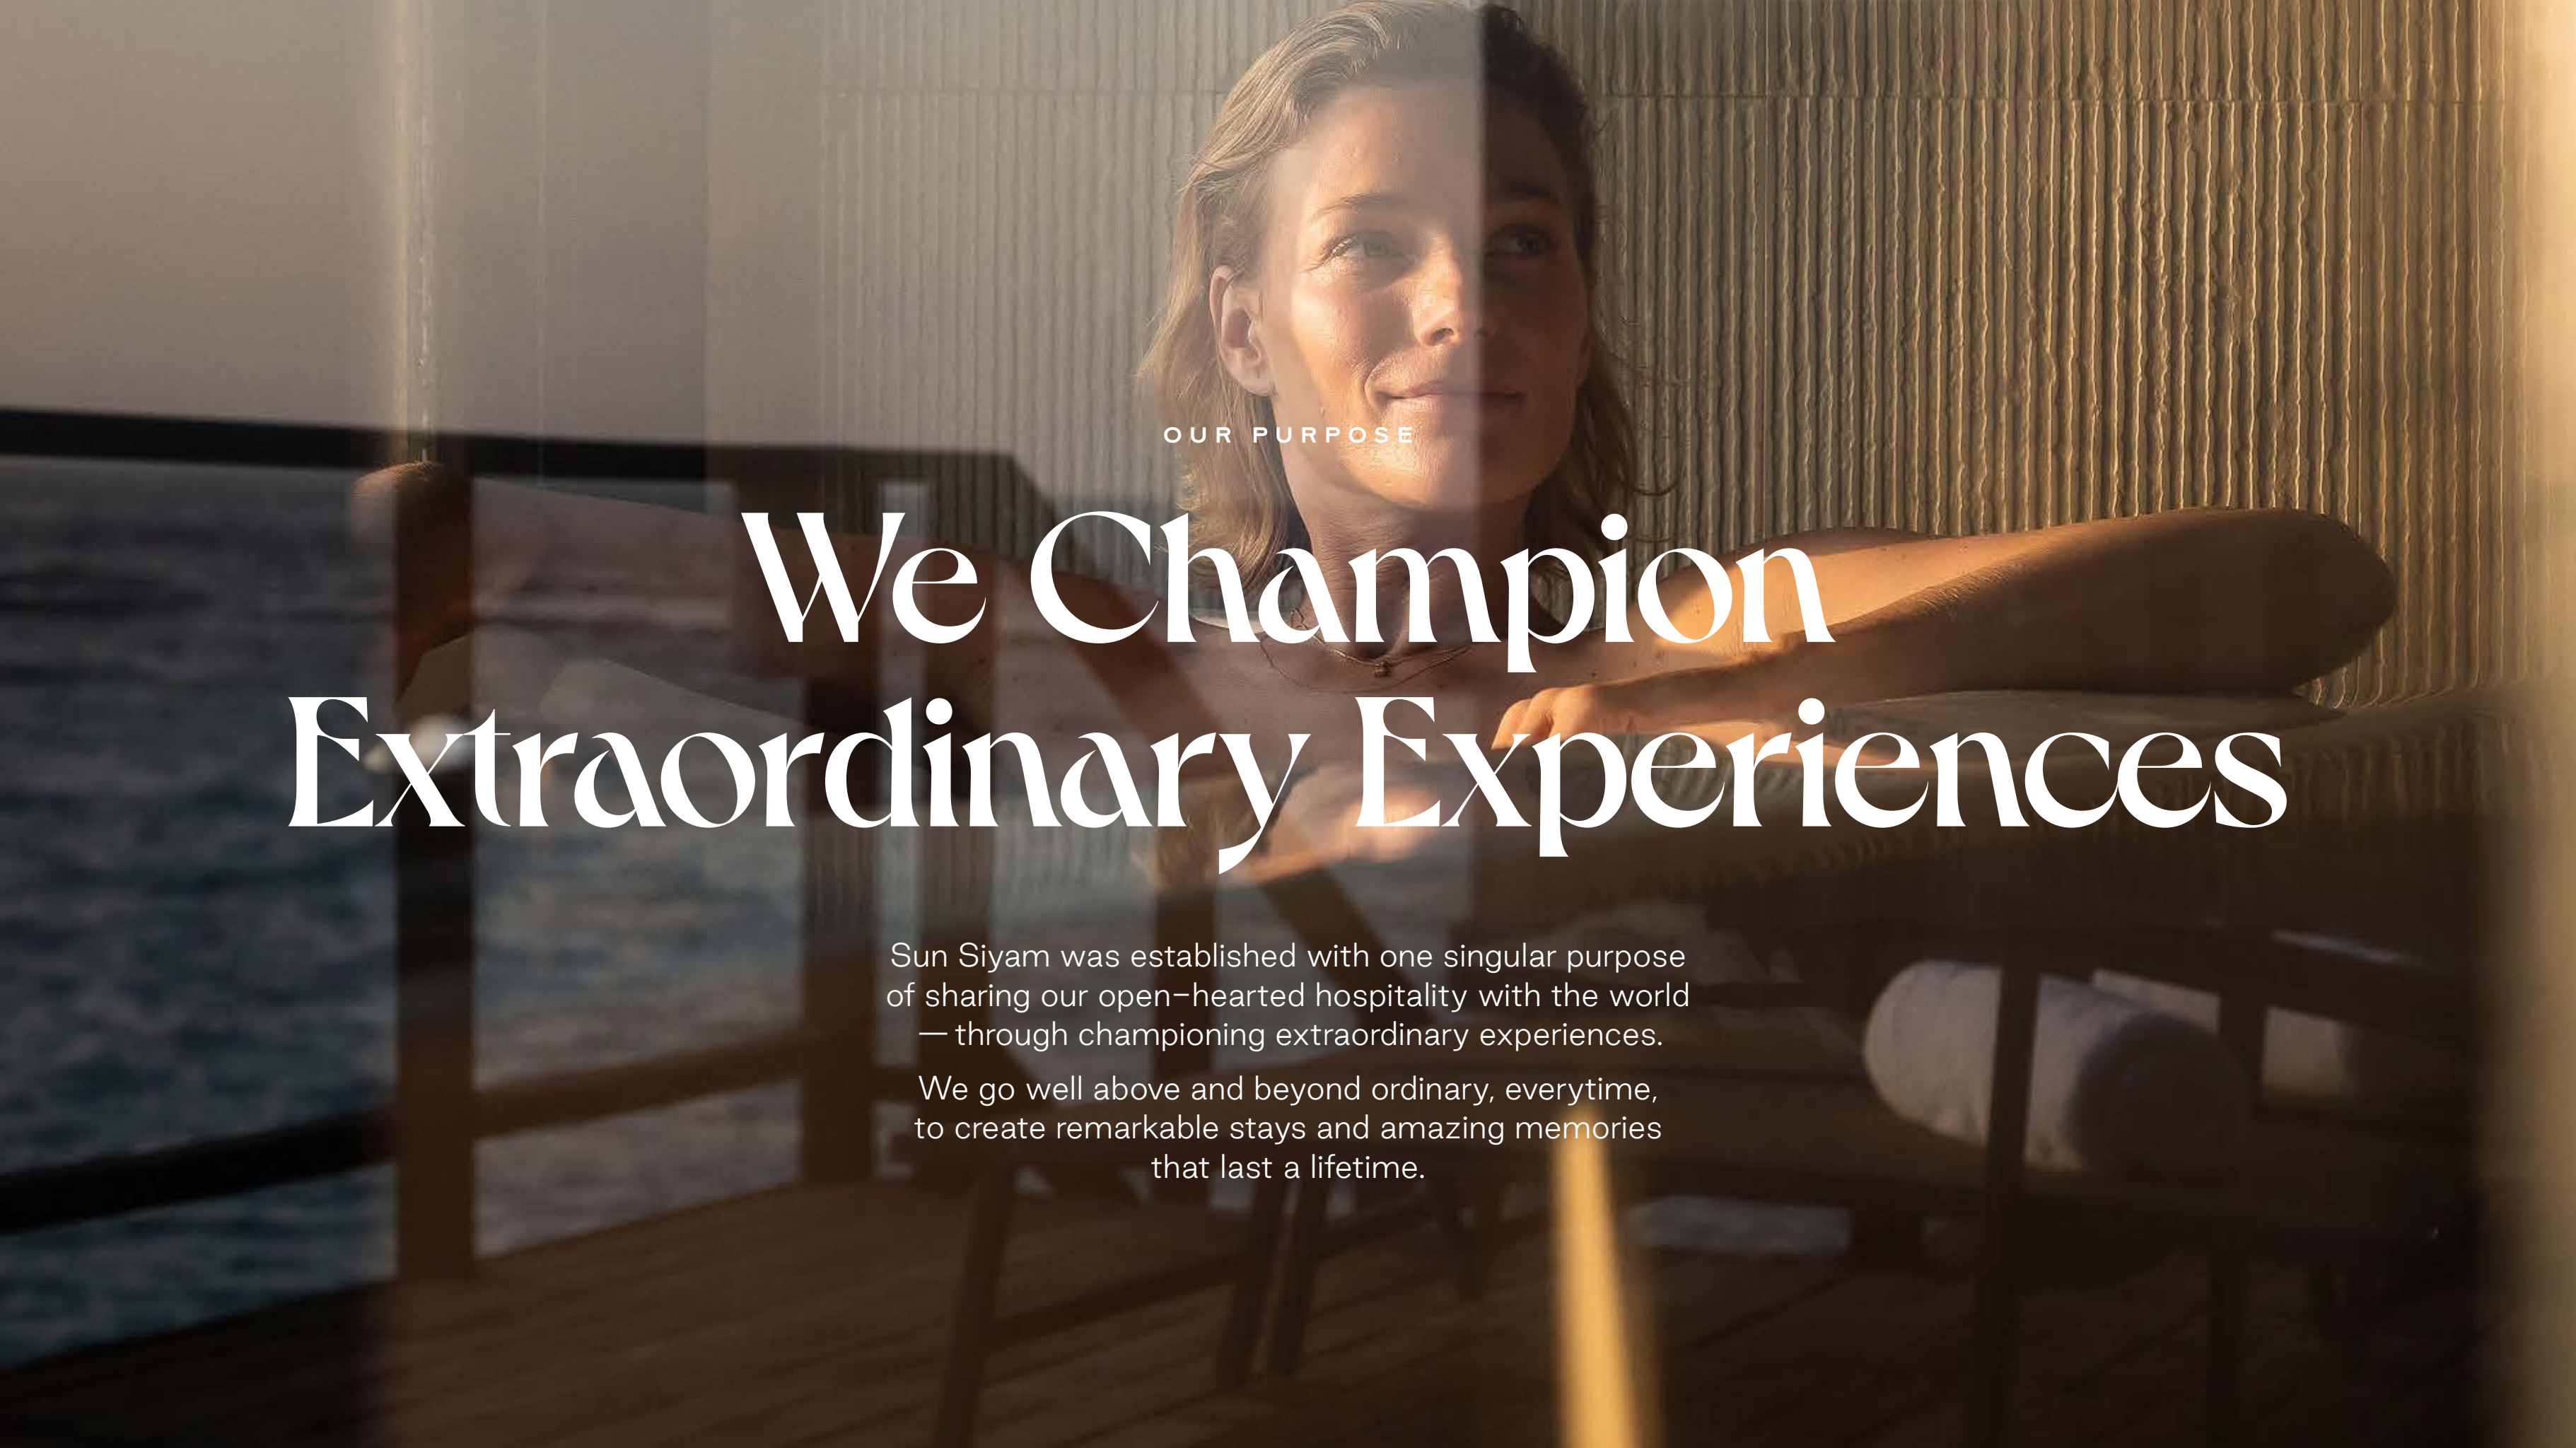

From its private sanctuaries and luxurious settings, to its abundant worlds of activity and adventure, Sun Siyam offers experiences enriched by local heritage and heartfelt warmth.

From humble beginnings, Sun Siyam's evolution over three decades has seen it grow to become one of the most sought-after resort brands in the Maldives.

Spanning five breathtaking Maldivian resorts, one idyllic Sri Lankan location, and more in the pipeline, the Siyam name continues to embody the pioneering spirit upon which it was founded.

As our story continues to be written, reaching over new horizons, we promise to never lose sight of where, why and how it all began and the beating Maldivian heart that brought it to life.

A woman with long brown hair is lying on a dark wooden lounge chair on a ship's deck. She is looking towards the camera with a slight smile. The background shows the ocean and a wooden railing. The scene is bathed in the warm, golden light of a sunset, with long shadows and a soft glow. The text 'OUR PURPOSE' is centered above the main headline.

OUR PURPOSE

We Champion Extraordinary Experiences

Sun Siyam was established with one singular purpose of sharing our open-hearted hospitality with the world — through championing extraordinary experiences.

We go well above and beyond ordinary, everytime, to create remarkable stays and amazing memories that last a lifetime.

Our Personality

These are the inimitable qualities that form Sun Siyam's distinctive character. The traits for which we are known the world over. A collection of carefully chosen words that inform the way we speak, act and engage with our global community.

A woman with dark hair, wearing a green sleeveless top and a colorful beaded necklace, is smiling and looking towards a man. The man is seen from the back, wearing a white t-shirt. They are in an outdoor setting with other people in the background, suggesting a social gathering or event. The lighting is warm, indicating it might be late afternoon or early evening.

Siyam Spirited

Kind-spirited, warm-spirited, high-spirited.
We embody them all.

We have an infectious enthusiasm for island-life
and the wonders it has to offer.

We leave our guests excited about everything they
experience and the joys that are yet to come.

Siyam Refreshing

Enlivening, soul-restoring and
always refreshing.

We're all about embracing new ways, and
avoiding old clichés, when it comes to
sharing our unique brand of barefoot bliss.

We tell our story with youthful exuberance,
digital prowess and inspired originality.

Siyam Genuine

Humble, heartfelt and down to earth, our Maldivian nature is unmistakable and unfakeable.

From a beaming smile as we walk by, to the way we sign off an email, we exude genuine warmth at every interaction.

We're unpretentious and authentically human.

Siyam Attentive

From the big picture to the tiny details,
we pay attention to it all. We listen intently to
feedback, we are attuned to guests' needs.

From how we tidy rooms to how they take
their coffee, we're ever-mindful of going the
extra mile to make a lasting impact.

SIGNATURE EXPERIENCES

Wow Welcome

You never get a second chance, to make a first impression
— say hello to a welcome more wow.

Upon stepping onto the sea plane from Malé International Airport, each guest is supplied with a beautiful woven fan and quality noise-cancelling headphones, before embarking on their breathtaking adventure over the atolls. Small details that add to a greater level of comfort from the get-go, with each set of headphones meticulously sanitized and carefully accounted for following each flight.

To hear the deep, ocean-like echo of a conch shell, is to know you've arrived at Sun Siyam. An unforgettable signature introduction to our island home that heralds the beginning of an experience all together more memorable.

Once the ceremonial rite of kings and queens, the 'Blowing of the Conch' has now become a tropical tradition we extend to new faces and old friends. A royal welcome, and a resounding farewell, that embodies our Maldivian heritage and proudly invites others to become part of it.

WOW WELCOME

“Marhabaa” is the word that leaves our lips the instant our guests step foot on these islands.

With a hand on our heart, and a gentle bow of the head, it’s our way of saying welcome with genuine Maldivian warmth. A deeply, meaningful moment of respect and heartfelt human connection. An introduction steeped in authenticity.

Then awaiting guests upon the jetty, Sun Siyam’s signature pop-up cocktail bar is here to serve up a refreshing slice of island life.

Replacing the tropes and traditions of more conservative check-in experiences, Bar-Ception is a fun way for guests to begin their stay with a toast to the start of something spectacular.

Our experienced and charismatic barman stands ready to welcome each new face with one of three signature crafted cocktails.

Choose from our crisp, minty non-alcoholic Mojitos and punchier numbers — like our Sun Spritz and Coco Cooler. All shaken, stirred and soaked in the spirit of our tropical oasis.

It’s an experience that goes beyond a cool drink. It’s a signal for our guests to relax, an early taste of Maldivian magic, and a moment for them to savour forever.

SIGNATURE EXPERIENCES

Maldivian Roots

Indulge in the vibrant cultural tapestry of The Maldives with captivating moments and weekly events that epitomise the essence of our island heritage. Experience the time-honoured traditions and culinary arts of the atolls. The stories and the secrets that make us truly unique.

From mouth-watering Maldivian breakfast corners in each resort, to carefully crafted à la carte menus that showcase the best fresh produce from our bountiful, blue waters. It's a taste of the authentic, infused with innovation, and elevated by sleek service.

Learn how to prepare local favourites with hands-on Maldivian Masterclasses from our island's expert chefs. Unlock the fragrant soupy secrets of Garudhiya — or the sweet doughy goodness of Dhonkeyo Kajuru — and savour the flavours, aromas and spices that make our cuisine so special. Recipes handed down in our homes, for our guests to take back to theirs.

For those seeking a deeper connection to this place we call paradise, sit down for ancient wisdom storytelling sessions that illuminate the history and origins of our idyllic isles. And once a week, as night descends, indulge in a spirited celebration of Maldivian culture. A lavish beach feast, with traditional dishes and rhythmic dancing to the distinctive beat of Bedu Beru drums. (To be tailored to Sri Lanka for SSP).

SIGNATURE EXPERIENCES

Sun Siyam Beach Club

Blissfully chilled by day — Sun Siyam Beach Club is Sun Siyam’s signature crowd-pleaser. A stylish and sophisticated reimagining of Spanish ‘Chiringuito’ beach bars, with a subtly Maldivian twist.

An all-day, open-air concept that brings Sun Siyam’s most enticing poolside destinations to life with a renewed sense of energy and expectation — a place to be. Somewhere to pose amongst the palms.

Relaxed seating spills seamlessly out from the restaurants to the sand, where lounging bean-bags dot the shore. Large tropical umbrellas pepper the beach, and private cabanas offer more exclusive shady solace. Late lunches drift into lost afternoons against the backdrop of laid-back island beats.

Look to the horizon and savour seafood snacks and signature cocktails with an ocean view. With people dancing in the sand — this is an adult-centric beach club, with chilled beats from an ever-changing line up of international DJs.

Treasure Hunt

Igniting the spirit of adventure and injecting a sense of the unexpected into each guests island escape, Sun Siyam’s Hidden Treasure is a one-night ticket to a world of elevated indulgence.

Each day, based on availability, one lucky guest will have the chance to win a luxurious island villa upgrade. But they’ll have to find it first. Our Hidden Treasure chest lies in wait, in elusive and ever-changing locations across the island.

Embrace the thrill of unpredictability and the spark of curiosity in a quest that perfectly encapsulates Sun Siyam’s dedication to filling every stay with delightful surprises and each moment an extraordinary experience.

Should the weather happen to take a turn, we’ll happily bring it all below deck so the show can go on.

SIGNATURE EXPERIENCES

Turn-down Journey

Every hotel, resort and guest house around the world has their own version of the turn-down experience. A towel folded into a swan, a mint on your pillow, or a pair of slippers by the bed. Ideas that have become overdone, unoriginal and unexciting. At Sun Siyam, we're all about embracing new ways and ditching old clichés. We'd like to turn up the turn-down.

Tuning in to our uniquely Maldivian heritage, we're injecting a fresh sense of originality and intrigue to our daily room resets. Seven new surprises, one for every day of the week, to showcase the innovative spirit and authentic island outlook we possess.

From local Maldivian sweet treats (and accompanying tasting notes), to signature 'sleep-well' nightcaps of house-made herbal teas — every time our guests return to their villa, is a new opportunity for them to learn more about our magical turquoise isles.

Learn Dhihevi. Play a round of Thin Hama. Indulge in a Dhoni of desserts. Sun Siyam presents an ever-rotating line-up of evening delights to remember — celebrating the unique cultural curiosities of the Maldives and enriching the turn-down experience beyond all expectations.

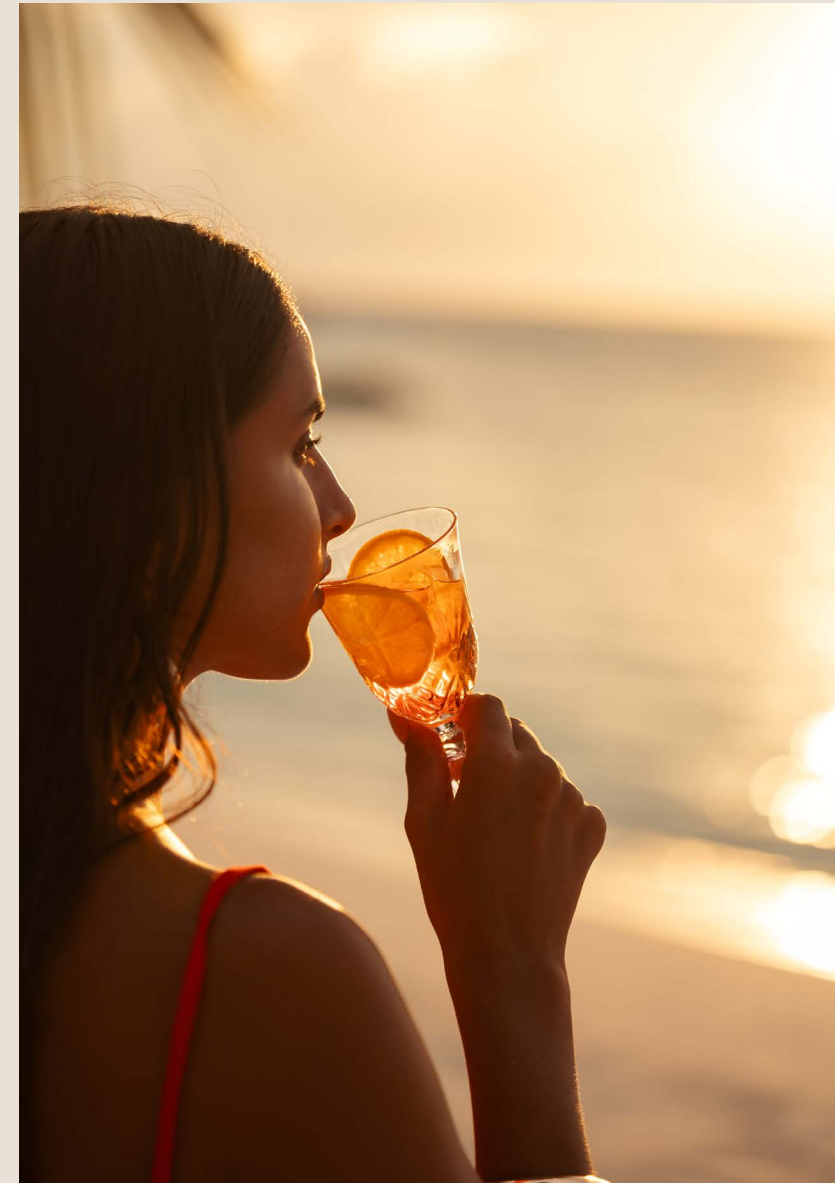

SIGNATURE EXPERIENCES

Secret Sundowners

There's something to be said for the magic of mystery. For the joy of the unexpected. And there's few combinations of words that elicit the same sense of intrigue and excitement like: Secret. Bar. At Sun Siyam, we're embedding that sense of surprise and intrigue daily — with Secret Bar Sundowners.

Each day, weather permitting, a creatively styled pop-up bar will emerge across ever-changing, clandestine locations throughout each island to unveil the afternoon's featured concoction — from Prosecco one day, to Aperol Spritz the next. All at no extra cost.

There's no telling where you'll find it. It's our little secret. But should you happen to stumble across it — you'll know where you are. Whether on a far-flung side of the island, or marooned on a floating pontoon, your reward for your curiosity is the chance to kick back in cosy bean bags, bask in intimate island ambiance and appreciate the warmth of the evening with a cool drink in hand.

Plant Based Bliss

Embracing a more conscious culinary vision, Sun Siyam is proudly committed to promoting the nutritional and holistic benefits of plant-based dining. Moving forward, we're ensuring each of our restaurant's menus will be comprised of a minimum of 30% plant-based options. A promise to elevate and enhance the beauty of vegetarian and vegan dining for our guests.

Indulge in a vibrant array of delicious and thoughtfully crafted plant-based dishes that celebrate the rich bounty of local ingredients. From tantalising tropical salads to innovative plant-powered main courses, our expert chefs are dedicated to creating an exquisite dining experience that not only satisfies the palate — but the planet too.

It's an evolution that caters to the growing demand for greener dining, and underscores our commitment to the preservation of the Maldivian paradise that surrounds us. A flavourful parade of plant-based bliss, unique to Sun Siyam.
